CODE OF BEHAVIOUR

1st to 6th Year

June 2023

Introduction

This document is intended to illustrate the minimum standards of behaviour and co-operation expected of all students and to inform students, their parents and guardians on how the school will respond to both positive and negative behaviours. As part of the enrolment process, both the student and his/her parent(s)/guardian(s) will be given a copy of this Code of Behaviour.

Scope of Code of Behaviour

This Code of Behaviour deals exclusively with student behaviour while in school, on the way to and from school, on the school premises and on all school related activities while students are under the care and instruction of any member of school staff.

The following school rules apply at all times, in the school, on the school buses and on school tours and outings. By school it is meant the school building and the vicinity of the school. Students must co-operate promptly and courteously with all school staff obeying all instructions as soon as they are given. Good manners towards one another and towards the staff are required by all students.

The Code of Behaviour may also apply outside of school where there is a clear connection with the school and a demonstrable impact on the work of the school.

They are also showing that they are aware of their responsibilities and as such will be a credit to their school, parents, family, and of course, themselves.

Rewards

An important part of the school's Code of Behaviour is the effort made to acknowledge the good behaviour and commitment to their studies of students. Achievement certificates, class prizes, STAR Awards and end of year awards are made to deserving students.

School Detention

Portlaoise College operates a systematic detention system i.e. detention takes place Monday - Thursday from 4:00 - 6:00pm. Detention must be done on the appointed day and cannot be postponed to another day unless under exceptional circumstances i.e. medical certificate. This must be agreed with the Year Head prior to detention. Failure to attend for detention may warrant an immediate suspension from school until a meeting can be arranged with a parent/guardian to discuss the matter further. Detention is given to students who breach the punctuality code and/or other breaches of the Code of Behaviour as decided by the Tutor/Year Head/Deputy Principal/Principal.

In-School Suspension

Portlaoise College operates a systematic In-School Suspension system weekly. In-School Suspension is a disciplinary technique which is designed to penalise students for their behaviour while still ensuring that they participate positively in the school community. When a student is put on in-school suspension, he or she is removed from the traditional classroom environment and put into a special suspension classroom, which is supervised, for one day. For the length of the suspension, the student reports for classes in the suspension room, and he or she is expected to complete classwork/ homework assignments/work on projects. In-School Suspension is given to students for continued or serious breaches of the Code of Behaviour as decided by the Year Head/Deputy Principal/Principal. Future offences by the student could result in additional suspension or expulsion.

What happens if you break the school rules?

- Poor behaviour recorded on VShare.
- Extra work assigned by the relevant teacher and/or detention which is recorded on VShare.

- Exclusion from school trips or extra-curricular activities
- In-School Suspension.
- Suspension.
- On return from suspension on Red card for two weeks.
- Contract of Behaviour.
- Serious breaches of discipline, e.g. bullying, verbal abuse of staff, fighting, violent Behaviour, vandalism, on-going misbehaviour, will warrant Red card or immediate suspension and/or a report to the Board of Management for possible expulsion.

School Management will have the final say on determining what is or is not acceptable under this Code of Behaviour.

Suspension from School

This is an extremely serious sanction. It makes a statement to the student that their behaviour has placed themselves outside the school community and it is taken as a statement by the student that he/she does not wish to abide by the minimum standards expected by all the students as contained in the school rules.

Parents and students will be given an opportunity to consult and respond before a decision is made and a sanction is imposed. The Principal reserves the right to consider an immediate suspension for reason of safety of the student, other students, staff and others.

Suspension can be used as a sanction in the following circumstances:

- Where a teacher/Class Tutor has exhausted the process outlined above in relation to a student's behaviour and application in class.
- Bullying or threatening another student.
- Abuse of a member of staff.
- Assault of any person of the school community.
- Smoking or vaping i.e. using an e-cigarette in the school grounds.
- Possession of cigarettes or e-cigarette in the school grounds.
- Stealing from or interfering with the property of another student, member of staff or the school.
- Being absent from the school without the permission of a parent/guardian.
- Leaving the school without permission from both parent and Year Head.
- Bringing drugs, illegal substances, aerosol sprays or dangerous weapons into the school or distributing or selling same.
- Causing deliberate damage to school property.
- Refusal to hand up a mobile phone or any other devices not permitted in school including inappropriate use of the device.
- Refusal to follow guidelines in relation to social distancing, wearing a face mask or any other Covid-19 Health & Safety guideline.

Suspension from school may be imposed by either the Principal or the Deputy Principal or Year Head acting on behalf of the Principal.

Right of Appeal

All suspensions of more than 5 days' duration may be appealed by the student themselves (if over 18) or the student's parents/guardians, by writing a letter to that effect to the Secretary of the Board of Management. The Board may invite the student and his/her parents/guardians to a meeting to consider the matter.

Exclusion/Expulsion from School

Where the Principal or the Deputy Principal, acting on behalf of the Principal, considers that a pupil should be excluded from school, the matter will be referred to the Board of Management for decision.

The Board will invite the student and his/her parents/guardians to a meeting to discuss the matter. In the case of expulsion, parents have the right of appeal to the Department of Education and Skills.

The parents will be notified of the date and time of the Board of Management meeting.

The parents will be advised that they can make an oral or written submission to the Board of Management.

A student can be recommended for expulsion and, on foot of a Board of Management decision, excluded permanently from the school, in the following circumstances:

- Where there is an ongoing refusal by a student to abide by the regulations of the school and the Principal, in consultation with the Board of Management, has, in his/her considered judgement, exhausted all reasonable options.
- Bringing drugs, illegal substances, alcohol, aerosol sprays or dangerous weapons into the school and selling or distributing same at any time when school rules apply.
- Serious physical or verbal assault of any member of the school community.
- Wilful and serious damage to the school property.

All suspensions/expulsions are in accordance with TUSLA Guidelines:

http://www.tusla.ie/uploads/content/guidelines_school_codes_eng.pdf

Health and Safety Considerations

All members of the school community, students, parents/guardians and staff are asked to note that, where the school Principal or the Deputy Principal acting on behalf of the Principal, forms the considered opinion that the presence of a particular individual in the school environment poses a threat to the health and safety of students, staff or school visitors.

The student involved may be excluded from school at least until the next Board of Management meeting, where the matter will be dealt with. This measure is expected to be seldom used and is a recognition that the needs and rights of the majority to either learn or work in Portlaoise College are of paramount concern. Where students are excluded on these grounds, it will not be recorded as a disciplinary suspension or exclusion. Rather, it will be recorded on file that the student was excluded on Health and Safety grounds, to protect/prevent harm to any/all members of the school community.

CONCLUSION

This Code of Behaviour should enable teachers to teach and students to learn in a structured, orderly environment. It will be subject to on-going review in light of the changing environment the school may find itself in. The school reserves the right to modify this Code of Behaviour at short notice. Any change(s) made will be communicated to parents, guardians and students as soon as is realistically possible after the change(s) is made.

I have read the Code of Behaviour policy for Portlaoise College and I agree to abide by it.
